## PRESIDENT'S MESSAGE

March 2022

*Member-National New York City Police Department 10-13 Organization, Inc.  
and the Alliance of Public Retiree Organizations of New York  
Founded 1986*

★ *Social*   ★ *Charitable*   ★ *Educational*   ★ *Fraternal*   ★ *Patriotic*

*Welcome back everyone. Winter is almost over.*

My president's message will be different this month.

As you may or may not know Retired Det Patrick Brosnan , he went above and beyond for two Police Officers he never met. Patrick showing his true blue stripes bought and had delivered to the 32<sup>nd</sup> precinct a 900 pound and 8 foot tall statue of St Michael, the patron saint of Police Officers. This was done from Patrick's heart to honor Police Officers Wilbert Mora and Jason Rivera.

Patrick plans to have the tribute moved around the country to the sites of officers killed in the line of duty, to bring comfort, hope, and prayer.

Patrick is a member and sponsor of the Hudson Valley 10-13 Club.

The Hudson Valley 10-13 Club and I would like to thank Patrick for his remembering that we all stand together regardless of rank in time of need. Patrick talks the talk and walks the walk. He has a heart of gold.

On a sad note the Jersey Shore 10-13, The National 10-13 and I personally lost a true friend and very hard worker when Dennis Fitzgerald passed away on the 18<sup>th</sup> of Feb 2022.

Dennis was one of my closest friends. While he was president of the Jersey Shore 10-13 for 8 years, I was his treasurer and close advisor.

Dennis will be missed by all who ever came in contact with him. Rest in Peace my friend.

Fraternally

*John Briganti*

*President*

## **POST 13 TRIVIA - Police Arlington Cemetery**

Hope everybody enjoyed the summer. The newspapers carried stories about the Police Arlington located in Cypress Hill Cemetery, near the Brooklyn-Queens border. It was the Metropolitan Police Benevolent Burying Association (1869) that purchased the 37 plots (lot #357 to 394 except #368) as recorded on deed #4437, dated March 6, 1871. Lot #368 was later purchased on deed #4895 by the Association on July 15, 1873.

Plans with the deeds showed Section 18 having five rows of graves laid out in a half circle, totaling 352 graves. There was a police monument with a seven-foot statue of a uniformed policeman. Somebody stole the statue of Patrolman Lester Lewis, Broadway Squad, and other monument plaques in April 1966.

The deeds were found by Lou Matarazzo during the move from 250 Broadway to 40 Fulton Street in February 1992. As one of the deeds bore a Three dollar U.S. Internal Revenue stamp, Lou was kind enough to save it from the trash can and pass it along to a stamp collector. These deeds aroused my curiosity and eventually I paid a visit to Cypress Hill, where I obtained copies of the "Record of Interment" cards for the plots.

Police Arlington, as it's now referred to is located in Section 18, next to the U.S. National Cemetery in Cypress Hill. The first interment was Charles Thompson (Dec. 1, 1867), probably taken from another site. A Rough Rider (Henry Haywood) killed at San Juan Hill was buried there on July 3, 1898, probably a New York cop with no relatives.

The association was created (1869) primarily for the burial of its members, but it became defunct, as most retired cops would usually be buried in family plots. One of the cemetery cards indicate that someone paid \$3,000 for perpetual care in June 1920.

Life member certificates were issued (1918) to those officers who donated a dollar to the Metropolitan Police Burying Association, signed by Dominic Henry, President. A search of Article I records reveals Deputy Chief Henry joined NYPD in October 1890, and retired in January 1925. Note: every policeman was compelled to join the association.

Chief Inspector John O'Brien issued an order (September 1, 1931) saying that each precinct commander was to collect from each member of their command twenty-five cents so as to create a fund to take care of the plots. Remember the house tax?

A notice in the Spring 3100 (August 1946) reads, "A member of Metropolitan Police Burial Association may be buried at the Cypress Hill Cemetery, provided a payment is made for the opening of a grave." The same message was on PBA letterhead listing the benefits available to its 19,308 membership. Patrick Harney was PBA president (1947) and the PBA office was located in room 404, World Building (63 Park Row) New York City.

NYPD Honor Legion took possession of Police Arlington in June 1951, and this author returned both deeds to the Patrolmen's Benevolent Association for safekeeping.

## **Have you reached your 65<sup>th</sup> Birthday? Have you heard of the Medicare Re-imburement?**

Well, this reimbursement does not come automatically, as you must apply in writing when you reach the age of sixty-five. You and your spouse can be reimbursed going back three years. The application should be filed before the end of May. The City needs 30 days to process applications. That's during normal times. You only have to file one time, as your application will always be on file.

Note: only those enrolled in a City Health Plan are eligible for this benefit.

To contract the NYC Employee Benefit Program via computer, visit the NYC Office of Labor Relations website, scroll to Health Benefits, then scroll down coverage- Medicare Eligible Retirees and download and print their form.

The death of the member will automatically terminate this benefit. No one will inform the spouse that they are entitled to the benefit for the previous year. A copy of the member's death certificate must be sent to the Medicare Part B Differential Unit., P.O. Box 3478. New York NY 10008-3478
