PRESIDENT'S MESSAGE

APRIL 2026

Greetings to all,

I hope that this letter finds all our members, and their families, doing well!

On Tuesday March 24th 17 members, including myself, of the Hudson Valley 10-13 joined members of the National 10-13 and traveled to Albany where we met with the Organization of Retired Public Service Employees. We lobbied for support for our Medicare coverage and for the protection of our health care benefits! I wish I could say that it's a done deal, but it is going to be a tough battle !!

Our next meeting is April 16th at 7:00 PM in Yonkers at the Bajart American Legion Post #1122 located at 840 McLean Avenue. We will be carpooling from the parking lot between Mavis Tires and Aldi's (located at Smith St and Rt 59 in Nanuet) We will be leaving at 5:30 PM. We will be having 2 guest speakers that evening, Marc Marino is a Disability Counselor with the NYPD PBA and Steve Wallace is a Senior Program and Education Coordinator (Retired NYPD) from Mount Sinai. Both will be speaking about World Trade Center and NYPD benefits and coverage and will be there to answer any questions you might have. Try to make this meeting, they are very informative.

Finally, we still have some members who haven't paid their dues for 2026, please pay as soon as you can and if you're not sure if you paid already, please call or text us at **845-735-1013**.

Take care and stay safe,

Michael Sweeney

2025 Medicare Part B Reimbursements

The 2025 Medicare Part B reimbursements will be issued during the third week of April 2026. Please check your bank account/statement (or the mail, if you are receiving a physical check).

The reimbursement amount for 2025 is \$185.00 per month ($\$185.00 \times 12 \text{ months} = \$2,220.00$) and is subject to be pro-rated.

If you were eligible for Medicare Part B Reimbursement for prior years but did not enroll by providing a copy of your Medicare card, reimbursement is limited to the previous three (3) calendar years. To enroll, please complete the Medicare Part B Reimbursement Program Application.

IRMAA 2025 Reimbursement

The IRMAA 2025 Reimbursement Application will be available in May 2026. IRMAA 2025 annual reimbursements will be issued during the **3rd week of October 2026**.

Medicare-eligible retirees and their Medicare-eligible dependents could submit an IRMAA application if they paid above the standard amount of \$185.00 per month. If you did not pay more than the standard amount then you are not eligible for IRMAA.

6 new tax deductions starting in 2026 (some are easy to qualify for)

1. Deduction for tipped workers

Workers who earn tips will get an extra tax break from 2025 through 2028. Qualified tips include both cash and charged tips, including shared tips. The maximum deduction is \$25,000, and the amount cannot exceed the worker's net income. It's important to note that this tax break is available for those in occupations that "customarily and regularly" receive tips, according to the IRS. The agency has a list of such job categories on its website. In addition, the tax break begins to phase out for single taxpayers with a modified adjusted gross income (MAGI) over \$150,000 — or \$300,000 for joint filers.

2. Overtime pay deduction

If you work a lot of overtime, you might get a nice tax break due to a new rule for those who work extra hours. For the years 2025 to 2028, you can deduct the portion of your pay that is above your regular pay rate. The IRS notes that this is the "half" portion of "time-and-a-half." The top deduction is \$12,500 — or \$25,000 for joint filers. The phase-out rules are the same as for the deduction for tipped workers.

3. Enhanced deduction for seniors

Seniors who are 65 or older may be eligible to claim an extra \$6,000 deduction in addition to the standard deduction already available to seniors. Each senior can claim the break, which means older married couples can count on an extra \$12,000 deduction.

This tax break is in effect for the tax years 2025 through 2028. The perk begins to phase out for single taxpayers with a MAGI above \$75,000 — or \$150,000 for joint filers.

The enhanced deduction means seniors 65 and older can shelter a much larger proportion of their income from income taxes than younger folks. For example, it's possible a senior could take all the following deductions:

- Standard deduction: \$15,750
- Additional standard deduction for seniors: \$2,000
- New senior deduction: \$6,000

That is a total of \$23,750 in deductions.

4. Car loan interest deduction

If you have a car loan between the years 2025 and 2028, you can deduct up to \$10,000 in interest paid on the loan annually. To qualify, you must purchase the vehicle for personal use. If you lease a car, you cannot take advantage of the tax break. In addition, only cars that had "final assembly" in the United States qualify for the deduction.

This deduction begins to phase out for single taxpayers with a MAGI of over \$100,000 — or \$200,000 for joint filers.

5. Higher SALT deduction cap

The cap on the "state and local taxes" deduction — commonly known as SALT — is being raised temporarily between the years 2025 and 2029.

The deduction cap is jumping from \$10,000 to \$40,000. The process will be gradual over several years and will top out in 2029. Unless the new rule is extended, the cap will drop back to \$10,000 after that.

The SALT deduction is particularly valuable to taxpayers who live in states with high taxes. However, you must itemize to get the tax break. In addition, full deduction phases out for filers with a MAGI above \$500,000.

6. Bigger standard deduction

Standard deduction amounts ballooned in the wake of the 2017 Tax Cuts and Jobs Act. Although the higher standard deduction was supposed to be temporary, the 2025 One Big Beautiful Bill Act made the larger deductions permanent. In addition, the deduction amounts have been adjusted higher for 2025. They are now as follows:

- Single or married filing separately: \$15,750
- Head of household: \$23,625
- Married filing jointly or qualifying surviving spouse: \$31,500
